March Birthdays

In astrology, those born between March 1–20 is Pisces. These Fish are spiritual types who feel comfortable in their introspective natures. As passionate, romantic, creative dreamers, they are charitable helpers who “go with the flow.” Those born between March 21–31 are Rams of Aries. As the first sign of the zodiac, Arians charge out of the gate with energy, confidence, power, and zeal. As pioneers, Arians are unafraid of the unknown. For these eternal optimists, no odds are ever considered insurmountable.

3/19 Dress your favorite
Decade
3/20 PJ Day**

A Broadway Classic Turns 70

Seventy years ago, on March 15, 1956, *My Fair Lady* opened on Broadway and quickly became one of the most celebrated productions in musical theater history. Its premiere at the Mark Hellinger Theatre marked the beginning of a record-setting run that helped define a golden era for the American stage.

Set in 1912 London, the story follows Eliza Doolittle's transformation from a struggling flower seller into someone confident enough to challenge the expectations placed on her. Although the original production reflected mid-20th-century attitudes, many modern viewers see Eliza's arc as a useful lens on empowerment—an idea that aligns neatly with March's Women's History Month. Her pushback against Professor Higgins feels more relevant now than ever.

The musical also offers a snapshot of a changing era. London in 1912 balanced Edwardian elegance with social tension. Suffrage activism was gaining momentum, fashion was beginning to loosen from restrictive styles, and the traditional class structure faced increasing scrutiny. While *My Fair Lady* presents these shifts with wit and charm, its backdrop hints at the larger societal forces shaping the characters' world.

Over the decades, the show's score has played a major role in its longevity. Songs like “I Could Have Danced All Night” and “Wouldn't It Be Lovely” became standards, recorded by a wide range of performers and woven into popular culture. The familiarity of the music keeps the show accessible, even for those who haven't seen a full production in years.

The anniversary arrives just ahead of World Theatre Day on March 27, a reminder of how live performance continues to bridge generations. Few shows have matched the musical's staying power; its songs and characters have been reinvented through revivals, films, and countless stagings across the globe. *My Fair Lady* still invites audiences to reflect on identity, opportunity, and the ways people reinvent themselves. For a production rooted in another century, its voice remains remarkably current—and still worth hearing.

Appointments & Scheduling

As part of our continued commitment to improving services and creating even more opportunities to support you, the current gift shop space will be transformed into our appointment scheduler's office. This change allows us to expand support and better service everyone's needs and faster and more efficient ways.

Don't worry- the gifts haven't disappeared. We are delighted to announce our traveling gift cart experience. Instead of visiting the shop, the cart will be available Monday, Wednesday, Friday Sunday From 1:30pm-2:30pm Our new mobile gift cart will be in the chapel near the recreation office.
